Protective Case with Built-in 360° Rotatable Grip Kickstand for iPad 10th Generation 10.9" Tablet

This protective tablet case keeps iPad 10th Generation 10.9-inch tablets shielded from collisions and falls. Its durable, rugged frame provides heavy-duty impact shielding without compromising usability. It's a must-have for trade-shows, conference rooms, classrooms, restaurants, doctors' offices, or any place a hands-free stand makes work easier. The streamlined case features a built-in folding kickstand for easy tabletop setup. This case is also outfitted with a resizable hand strap, plus a rotating 360-degree grip ring, giving a comfortable handheld solution in both portrait and landscape orientations. The case is designed with openings for all cameras, ports, and jacks, and features a convenient built-in holder for your S Pen or compatible stylus.
