Protective Case with Built-In 360 Degree Rotatable Grip Kickstand

iPad Air 10.9", iPad Pro 11" and More

Protective Case with Built-In Grip Kickstand

This protective tablet case keeps your iPad protection from bumps, drops, or shocks. Its durable, rugged frame provides heavy-duty impact shielding without compromising on usability. The case is designed for full access to your iPad's ports, buttons, and jacks. The thick silicone jacket offers further protection for your device. An adjustable hand strap and rotating 360-degree grip ring gives a secure, comfortable handheld solution in both portrait and landscape orientations. Also included is a foldout kickstand with rubber surface for fast, skid-free, easy tabletop display options.
