For iPad Mini

# Protective Case with Built-In Rotatable Grip Kickstand

This protective tablet case keeps your iPad Mini shielded from collisions and falls. Its durable, rugged frame gives you heavy-duty impact shielding without compromising on usability. An outer silicone jacket offers amazing protection for your device. The case is designed to allow full access to your iPad's ports, buttons, and jacks. It's outfitted with not only a resizable hand strap, but also, a rotating 360-degree grip ring, giving you a comfortable handheld solution in portrait and landscape orientations. Also included is a foldout kickstand for fast, easy tabletop display options. If using on the go, we suggest adding a shoulder strap (not included) through the case's side loops.
