

PAD-PPM

Portable Projector Stage and Photo Studio Mount

For 7"-14" Tablets

Portable Projector Stage and Photo Studio Mount

Get the perfect shot with CTA's Portable Project stage and Photo Studio Mount for 7-14" Tablets. You'll never struggle with blurry, out-of-focus photos once you have this mount that provides the perfect shot every time. The flat white base is perfectly engineered to provide the perfect soft, reflection-free backdrop for whatever your shooting. The adjustable tablet stand allows you to move your tablet in closer for a macro shot, or position it as far as 16" away. CTA's brilliant universal grip allows you to take photos with whatever tablet suits your fancy, from tiny Samsung Galaxys to massive iPad Pro 12.9s. Any tablet from 7-14" diagonally across will comfortably fit inside this grip, allowing the perfect shot every time.
