

Security Case with Kickstand

for iPad Pro 9.7, iPad Gen. 5-6, iPad Air

Security Case with Kickstand

This sleek, portable enclosure offers exceptional functionality and security for your iPad, making it an invaluable accessory for tradeshows, conference rooms, classrooms, restaurants, and doctor's offices. Your tablet stays protected with the included galvanized steel anti-theft cable, which attaches easily at its head to the standard Kensington slot on the case rear, looping at the other end around any permanent fixture. The tough ABS case features openings for all cameras, ports, and jacks, while a rugged outer silicone jacket offers impact protection. The stand is also outfitted with a folding kickstand to allow impromptu display setups on tables, counters, desks, and more.

Features

- Rugged exterior silicone jacket protects from impact collision
- Heavy interior shell designed with openings for all ports, buttons, cameras, and jacks; included jack extension adapter allows use with credit card readers
- Galvanized steel security cable connects to K-slot on case rear
- Folding kickstand enables impromptu display setups on table, counter, or desk

- Compatible with iPad Gen. 6 (2018), iPad Gen. 5 (2017), iPad Pro 9.7, and iPad Air
