

# Security Cable Locking Desk Mount (White)

PAD-SLDMW

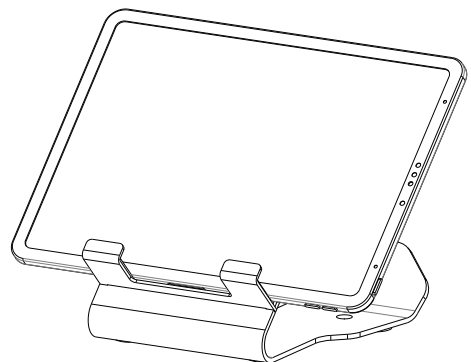

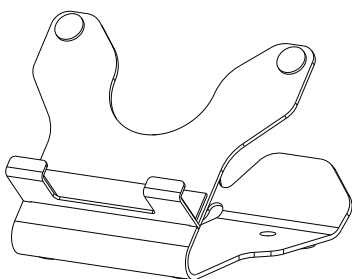

## INSTRUCTION - MANUAL

1. Screw desk mount onto surface

2. Place tablet in preferred orientation as shown

3. Pull back the sticker and adhere the anchor onto the desired surface and the lock adhesive on the back of the tablet. Make sure to have the loop of the cable on the anchor before adhering it to the surface.

4. Insert the lock side of the security cable into the lock adhesive on the back of the tablet.
