## Security Wall Enclosure

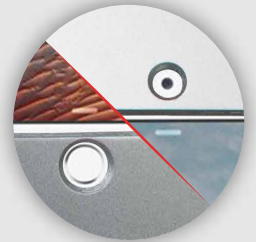

This simple, functional wall enclosure brings security and ease of use to your iPad, iPad Air, or iPad Pro 9.7. Perfect for classrooms, conference rooms, or doctors' offices, this wall-mounted case is designed to cradle and protect your tablet while still allowing full access to its ports, home and volume buttons, and front camera. The sleek, aluminum enclosure mounts nearly flush to the wall with a set of included hardware. The hinged faceplate locks into place with a lock and key security mechanism, protecting your iPad from theft. Your tablet sits snug inside the enclosure, padded and protected by scratch-protective interior cushioning. Also included is an optional metal home button cover plate to prevent unwanted menu access.

Optional In-Wall Cable Routing

Locking Case with Keys

Access to Camera and Home Button
