## Desk Mount with Integrated 2 Port USB Hub

CTA Digital's Desk Mount with Integrated 2 Port USB Hub w/ Security Enclosure gives you everything you need in a portable digital work station. This sturdy metal stand features two standard USB ports for speakers, phone charging, and whatever tech gadgets make your work space more useful. The durable, simple-to-use security enclosure keeps your tablet protected from theft, making this stand perfect for use in home, office, classroom, restaurant, or retail environments. The durable metal enclosure features a powerful lock and key security system that connects to the stand via a standard VESA 75 x 75 and 100 x 100-millimeter mount. It rotates for use in either portrait or landscape orientation, and is designed to allow interior cable routing through the center post. The enclosure comes with a set of foam tablet adapters, making it work with virtually any device.
