

# Adjustable Table Mount with 2 Universal Security Enclosures (Black)

PAD-VPOS2B

## Adjustable Table Mount

This double VESA-Compatible Table Mount with dual universal security enclosures is the perfect solution for shops, classrooms, an online ordering kiosk for restaurants, outdoor markets, or any place you need a two-device countertop kiosk. The sturdy metal body comes complete with two of CTA's popular universal security tablet enclosures, attachable to the base via VESA mount system. These durable locking enclosures keep your tablet protected from theft with a powerful lock and key security system. The enclosures can be mounted for use in either landscape or portrait orientation. Both enclosures can be adjusted to numerous angles on the adjustable base frame. An interior cable routing system provides ample room to neatly stow charging cables. The side mount is height-adjustable, making this one effective and versatile tablet kiosk.
