

QPAD-SFK

Security Floor Stand Kiosk for iPad

This sleek, stylish tablet stand pairs top-tier theft protection with streamlined adjustment points, making it a perfect fit for conference rooms, reception areas, information kiosks, and more. The full body enclosure encases your device, protecting it from theft with a lock and key security system. This enclosure can be tilted front to back for easy omni-directional displays and rotated 90 degrees for portrait and landscape orientations. The heavy weighted base ensures maximum stability and is outfitted with scratch and slip protective pads. This base can also be mounted directly onto your floor for additional theft protection.

Features:

- Smooth front-to-back tilting
- Easy 90 degree rotation for landscape and portrait displays
- Lock and key security protects tablet from theft
- Cable routing through enclosure and stand neck
- Heavy weighted base with scratch and slip protective padding
- Mountable to floor via predrilled holes
- Compatible with iPad Pro 9.7 and iPad Air 2

Specifications:

- Weight: 16.37 lbs.
- Dimensions: 15.75" x 15.75" x 51"
- Base diameter: 12.75 inches

Package contents:

- (1) Enclosure
