The Premium Locking Sanitizing Station from CTA Digital makes any office, retail store or grocery store entrance a lot cleaner and safer for its customers. The heavy-duty and secured acrylic glove & mask station has two slots for different size gloves and a bigger opening for masks to be hygienically pulled out by customers. The contactless automatic soap/hand sanitizer dispenser is a must have for any business. It dispenses exactly the right amount without any waste, while letting you see when it's time for a refill through its transparent level checker. Standing at 48 inches tall, this heavy-duty floor stand is ADA compliant and boasts a weighted base equipped with slip and scratch resistant padding.
