

Supplemental Activity Sheets

How Many Are We?

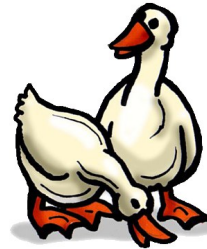

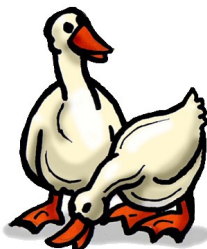

This packet contains classroom activity suggestions and worksheets to reinforce concepts from the Playbook® story and to go beyond the story into the content areas of Language Arts, Math, Science, Social Studies, Art, Health, etc., as well as Character Development.

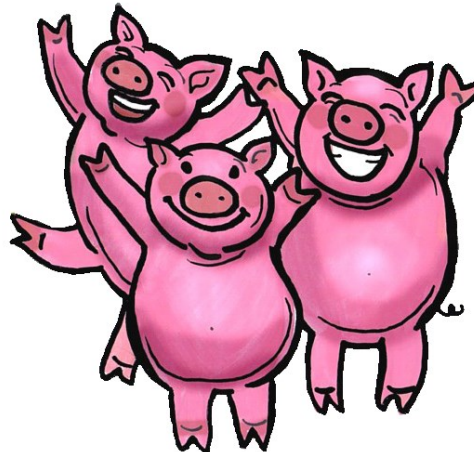

Name _____

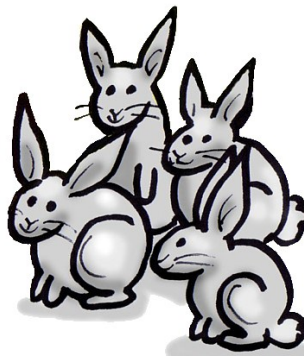

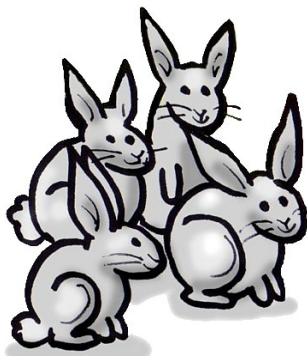

Now You Count Us!

Directions: Count all the animals in order, just like Lil did! Write the number on the line under each animal as you count it. The number of the first animal on each line is counted for you.

7

13

Where Did They Go?

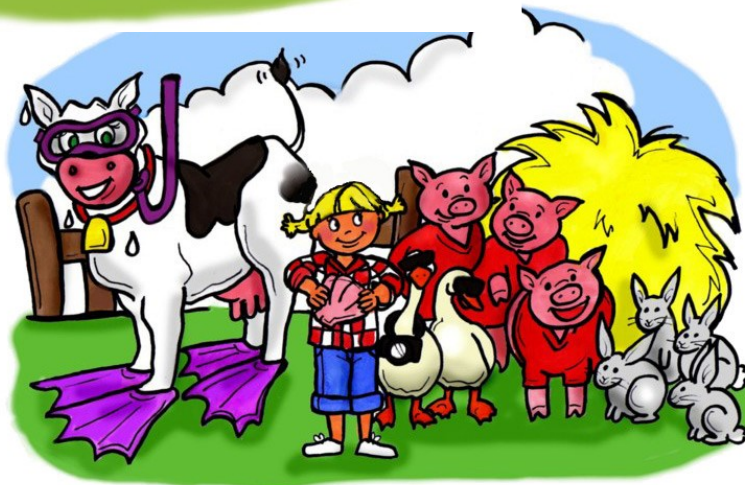

Directions: In the story, some of the animals disappear while Lil is trying to count them. In the pictures, you can see the animals return looking a little bit different. Look at the pictures below and try to figure out where the animals went while they were gone! Your teacher will ask the class to share their answers.

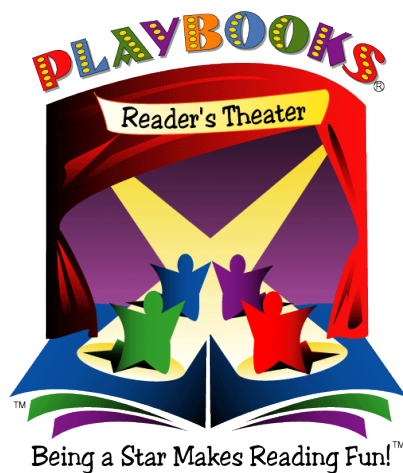

1. Where did the ducks go?

2. Where did the pigs go?

3. Where did the cow go?
