Festive Collection 2023

About Mr. Bucket Chocolaterie

In 2020, we started our humble beginnings as a petite Chocolaterie in Upper Thomson.

With the support of Singapore Tourism Board, we launched our flagship chocolate factory in 2022 in Dempsey Hill—providing a more immersive and engaging Asian chocolate experience for all.

We believe that great chocolate starts with great cacao. Following a farm-to-table philosophy, we sustainably source the finest cacao from small independent farmers around Asia.

We are proud to represent Singapore as the only homegrown brand to win awards at the 2023 International Chocolate Awards.
