**Three Generations in Textile Business**

Marina Textiles Inc. is a well known name in the hospitality and healthcare textile industry. It was incorporated in 1995 and since then it has become an established name in the marketplace for Lowest Price - Best Quality - Reliability & Excellent Service.

We are one of the largest Manufacturers, Importers, and Distributors of Hospitality & Healthcare linen products under our own brand EUROCALE, we are the "One Stop Shop" for all your linen needs.

We have a product line for you, available in both high end and low end. We carry a wide variety of in-stock linens of various weights, quality and sizes. We have an excellent reputation in the hospitality, healthcare and service industry.

We are always investing in technology in order to provide you with high-quality bed and bath products at competitive prices and have been selected as one of the fastest growing companies in North America.

Business requirements change significantly from time to time, we maintain an extensive inventory to meet contingencies and requirements. We ensure quality at every stage and pass on subsequent saving to you.

We have a finely tuned national distribution system so you can rely on Marina's range of products, whatever and whenever needed.

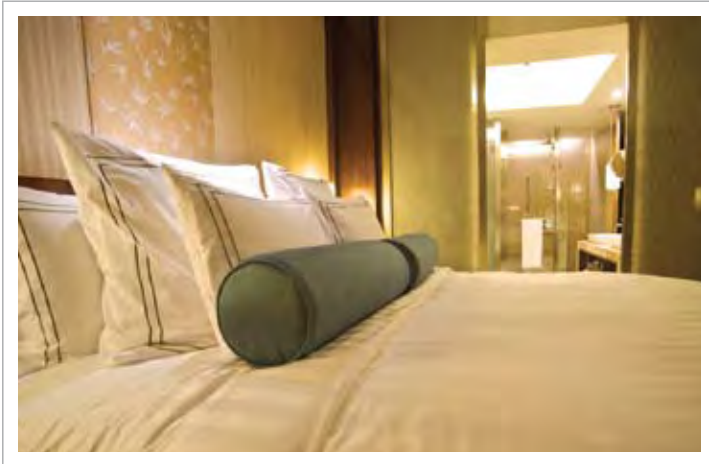

MARINA - your best choice for premium quality bed, bath, healthcare and service industry linen.

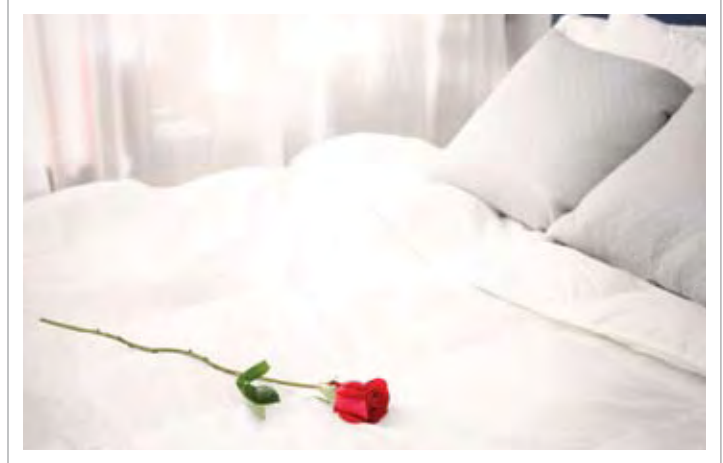

## Bed Linen...
