LINEAR WALL MOUNT CLIP | HIGHLINE 05

50MM - FOR HIGHLINE 05 50MM & 78MM

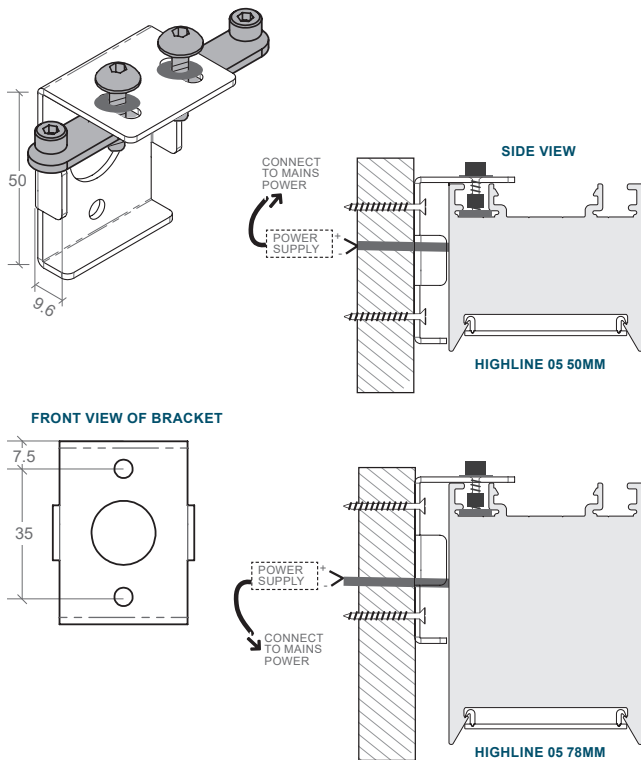

90MM - FOR HIGHLINE 05 100MM

FEATURES

– Simple wall clip for mounting Highline 05 profile

– Available in black or white

– 9.6mm offset from wall

– Mounting clip screws into a Highline 05 joiner (included), allowing the clip location to be adjusted as needed to suit to wall studs

– *Minimum of two clips per installation (see installation guide for more information)*

– All wall mounted profiles have external power supply/driver which need to be mounted in the wall & connected to mains power.
