

The logo features a stylized infinity symbol, represented by a continuous black line that forms a figure-eight shape. The word "infinity" is written in a lowercase, sans-serif font, positioned horizontally across the center of the symbol. The background is white with a large, light gray, curved shape on the left side that partially overlaps the logo.

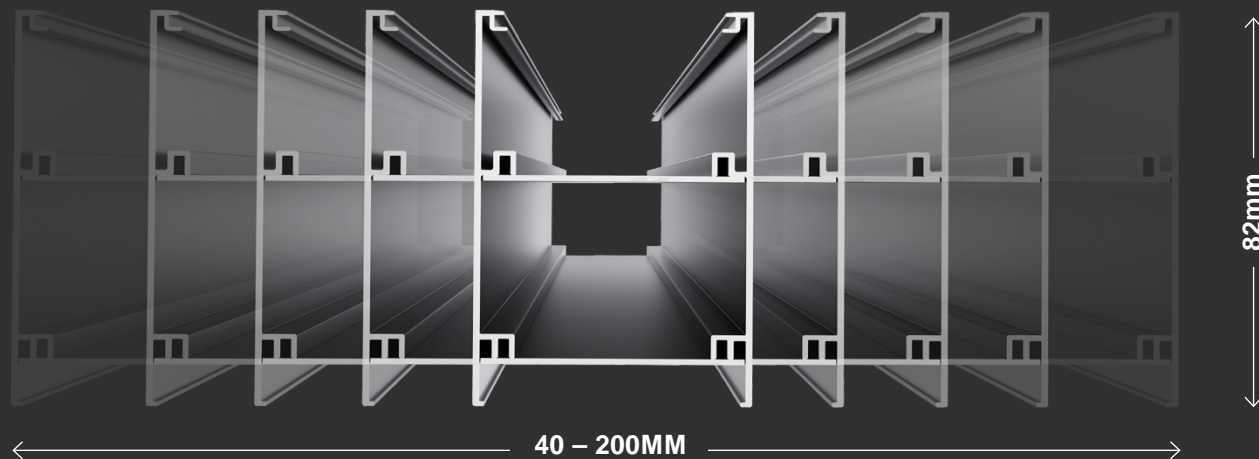

infinity

Infinity | Curve Series

Infinity transforms your lighting design dreams into vibrant reality, offering endless creative possibilities.

Make a sketch, give us a drawing or let our design team create something for you. Shapes are custom-built for a truly bespoke result.

Linear shapes have customisable widths between 40 - 200mm.

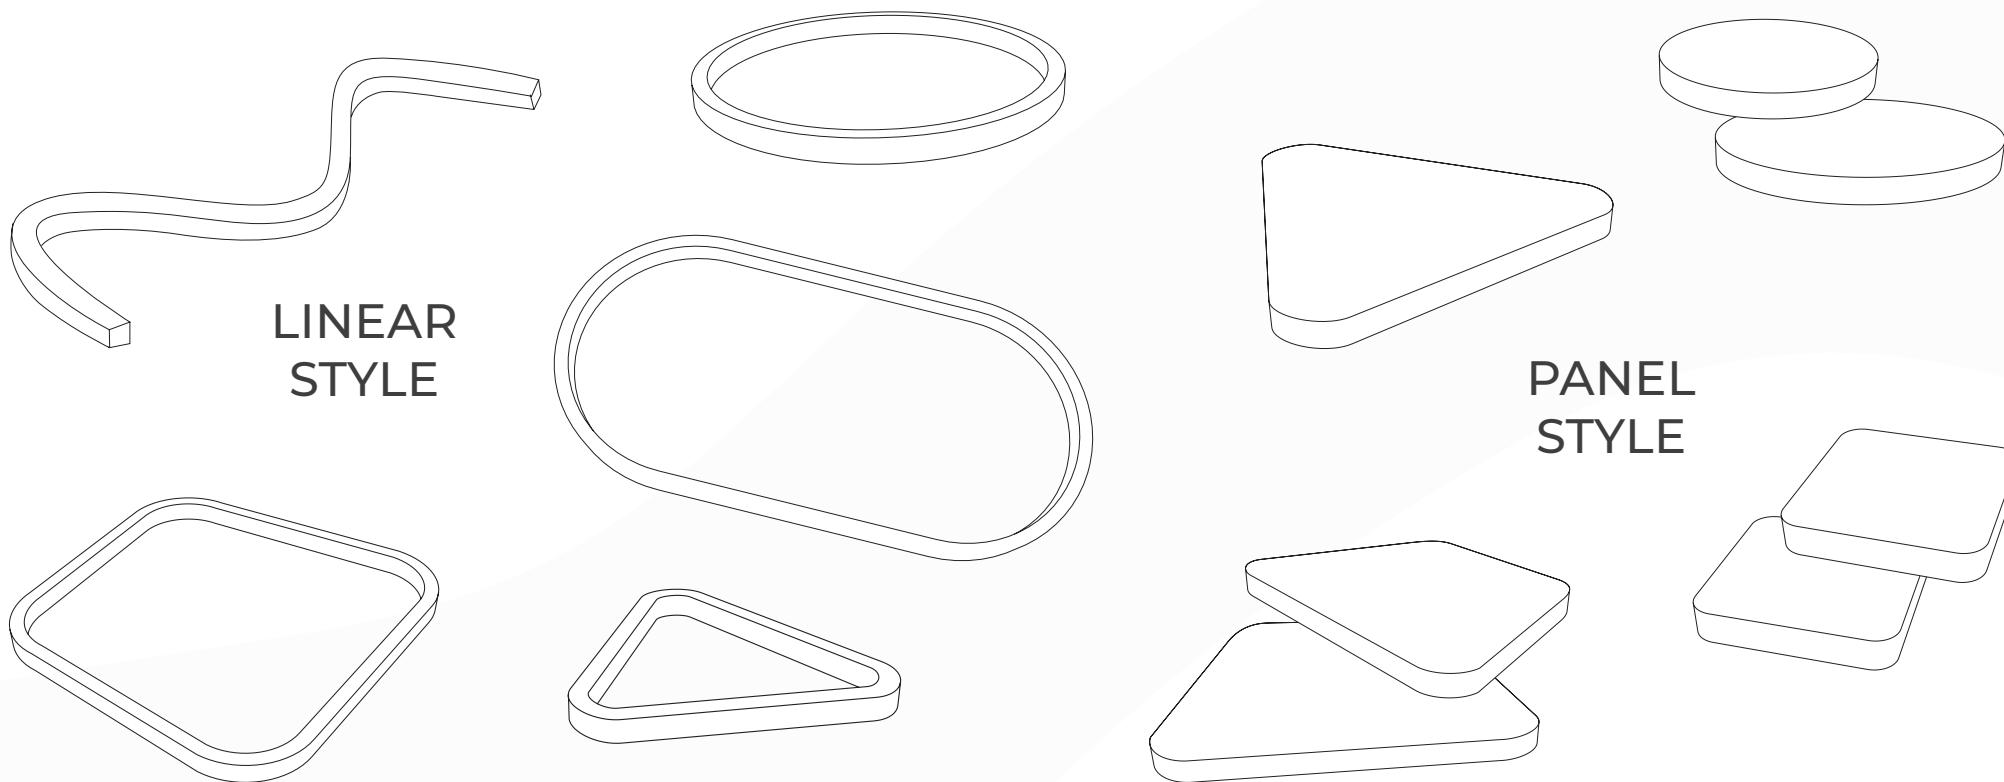

Shapes are produced in shippable segments for easy on-site joining.

Zero Light Leakage
