

## REFINED NATURE'S SPICES COMPANY OVERVIEW

Refined Nature's Spices is owned by RNS TRADING CORPORATION. It is founded on September 1, 2020 by Reg Penaflor, the formulator and the CEO.

By profession, she is an Entrepreneur from De La Salle University, a Certified Formulator specializing in Organic Skincare Formulation from Formula Botanica Based on United Kingdom, and a Registered Business Professional (RBP) in the Philippines.

Refined Nature's Spices was first established in the parking lot of the owner's residence in Imus City, Cavite which was later converted into a small laboratory. From the owner's perspective, it is not about the place but it is all about the heart of pursuing the vision.

Refined Nature's Spices mission is to provide products that are essential to a person's overall well-being by creating, formulating, and developing quality products which aims to **"bring home the spa experience"** into the doorstep of the consumers.

### MISSION

To enhance the state of well-being and to add value to people by relieving stress and tensions through the finest care provided by our specially formulated quality products.

### VISION

To be a company that creates value and be recognized through the quality, efficiency, effectivity, and efficacy in the field of organic formulation.
