

Husqvarna PG 280

PG 280 is a single disc floor grinder that you can quickly convert for edge grinding on both sides. It efficiently grinds adhesives, paint, epoxy and spackle. With a grinding width of 280 mm it is suitable for small to medium concrete areas. Designed to facilitate an ergonomic work position, it is easy and convenient to use. The machine is light and compact and therefore easy to transport and set-up. In a recent upgrade, the machine was updated to flexibly follow uneven floors and to considerably reduce vibrations.

Easy to use

The speed is fixed and no settings are required. The machine also has a user-friendly logical control panel with overload protection.

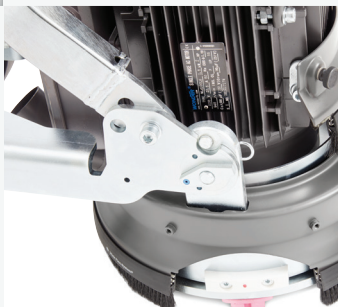

Easy to transport and set-up

The machine is light and fits easily in any car thanks to the compact design and foldable frame and dividable parts.

Quick conversion to edge grinding

Easily removable lid covers and wheel setting enable quick conversion to edge grinding on both sides. No tools are required. Allows an upright work position.

Easy removal

Offers efficient grinding of adhesive, paint, epoxy and spackle.

Technical Specifications

MOTOR

Output power (As rated by the engine/motor manufacturer)	1.1 kW
Rated current	15 A
Voltage	100–120 V
Phases	1 ph
Pins	2-pin
Frequency	60 Hz

OTHER

Grinding width	280 mm
Grinding disc diameter	280 mm
Grinding disc speed max	1150 rpm
Grinding pressure, max	20 kg
Number of grinding discs	1

DIMENSIONS

Product size length	1320 mm
Product size width	430 mm
Product size height	965 mm
Weight (complete product w/o side packed articles)	74 kg

PACKAGING

Packaging length	870 mm
Packaging width	470 mm
Packaging height	905 mm
Packaging volume	370.1 dm ³
