for Hospitals, Nursing Homes, Food Service, Commercial, Institutional, and Industrial Use.  
For Use in Meat and Poultry Plants, Schools, Dairy, Equine, Poultry/Turkey Farm, Veterinary,  
Restaurant, Food Handling and Process Areas. Non-Dulling to Floor Finishes.

# Neutral pH Disinfectant

## DESCRIPTION

Lemon Disinfectant is a neutral pH, hospital strength disinfectant, cleaner and deodorizer. Lemon Disinfectant is a one step germicidal cleaner that quickly removes dirt, grime, mold, mildew, body oils and other common soils. This product is effective against a broad spectrum of bacteria and viruses including MRSA, HIV, Hepatitis, Parvovirus, Bird Flu and much more. The neutral pH formula is non-dulling and will not harm floor finishes.

## DIRECTIONS

Dilute concentrate with water at a rate of 2 ounces Lemon Disinfectant per gallon of water. Apply diluted solution to surface to be cleaned with sprayer, sponge, brush, fogger or steel wool. Keep surface wet as necessary for disinfection and allow surface to air dry. See label for detailed use directions.
