

# SHOE SIZE MEASURING GUIDE

BACK OF THE HEEL TO THIS LINE

To determine your child's shoe size, please follow these simple instructions:

1. Print this page ensuring that the printer is set to 100% or 'Do Not Scale'.
2. Place the paper on a hard floor. Align heel on the guide. You may find it helpful to place the heel line against a wall to make measuring easier.
3. Jot down the mm measurement from their longest toe then repeat for the other foot.
4. Note the longest measurement and take the shoe size from the guide for that measurement as their perfect POD size.

UK SHOE SIZE	EU SHOE SIZE	FOOT LENGTH (mm)
3	19	115
4	20	123
4.5	21	127
5	22	130
6	23	138
7	24	146
7.5	25	150
8	26	153
9	27	161
10	28	169
11	29	176
11.5	30	180
12	31	184
13	32	192
1	33	200
2	34	209
2.5	35	213
3	36	217
4	37	226
5	38	234
5.5	39	238
6	40	242
7	41	251
