# SPROCKETS

## WORKS TRIPLESTAR ALUMINUM SPROCKETS

ATV / MX / OFF ROAD / STREET

- Computer designed weight reduction holes combine strength with lightest weight possible
- Made from 7075-T6 aerospace grade aluminum
- Exclusive tooth-valley design provides up to 50% more chain contact area for increased durability and smoother power delivery
- New MX color option for 2011 - Black Anodized
- Available in hard anodized only (gold color) for ATV and Street

MX / OFF-ROAD

STREET

## WORKS-Z STAINLESS STEEL SPROCKETS

MX / OFF ROAD

- Constructed of 100% heat treated stainless steel for the longest lasting, fully steel rear sprocket
- Off-set tooth design promotes 'self cleaning' of the chain, keeping the drive system cleaner and resulting in longer life for sprockets and chains
- Up to 50% lighter in weight than standard steel while lasting 2-3 times longer; lasts up to 6-8 times longer than aluminum
- The lightest, toughest and most durable steel sprocket available - includes hardware kit

## STANDARD STEEL FRONT & REAR SPROCKETS

ATV / MX / OFF ROAD / STREET

- Proven OEM quality since 1946
- Rear sprockets constructed of 1045 carbon steel; Powerdrive countershaft sprockets constructed of case hardened chromoly steel
- The strongest and longest lasting steel sprockets available on today's market

**HOW TO READ YOUR SUNSTAR APPLICATION CHART:**

1. Find your model in the catalog by referring to the MAKE, MODEL, CC and YEARS columns in the chart.
2. Refer to the OEM Gearing Info columns to find the stock size sprockets and stock gear ratio.
3. To complete the Sunstar part number, take the application code of the desired product type and add the desired number of teeth (example: appl code 2-3559 in 51 tooth would be 2-355951)

**OEM SPECIFICATIONS:**

All OEM specs listed are extracted from the manufacturer's published records and listed for your information and convenience only. Sunstar does not accept responsibility for the accuracy contained in those records and presented in this catalog.

**NEW APPLICATIONS:**

Applications constantly are being added and/or updated. For the most current information, please visit our website - [www.sunstar-mc.com](http://www.sunstar-mc.com)

**PROPER CLEARANCE:**

Anytime you use a different sprocket size other than the OEM size, please check for proper clearance.

**HOW TO READ A PART NUMBER:**

Sunstar Power Drive Countershaft Sprockets:

Sunstar Part Number: 1 0 1 1 5

Chain Size

- 1: 420 Chain
- 2: 428 Chain
- 3: 520 Chain
- 4: 525 Chain
- 5: 530 Chain
- 6: 630 Chain

Mounting Code

Number of Teeth

Sunstar Rear Sprockets:

Sunstar Part Number: 2 - 1 6 0 5 4 5

Material Code

- 2: Standard Steel
- 5: Aluminum
- 8: Works Z Stainless Steel

Chain Size

- 1: 420 Chain
- 2: 428 Chain
- 3: 520 Chain
- 4: 525 Chain
- 5: 530 Chain
- 6: 630 Chain

Application Code

Number of Teeth

# BETA/GAS GAS/HONDA

For the complete Sunstar part numbers:

Combine the Appl code for your desired product with the number of teeth.

**EXAMPLE:** APPL CODE | TEETH # 2-355943

## CATALOG CONTENTS AND WARRANTY

We believe the contents and specifications given in this catalog to be accurate. We assume no liability for any errors in listings, specs, part numbers, and/or model applications. Sunstar reserves the right to change specs, product descriptions, product quality and/or applications at any time without notice and without further obligation. The reproduction of any material contained in this catalog is forbidden without Sunstar Engineering Americas' written approval.

All products manufactured by Sunstar are guaranteed against defects in material and workmanship. If any defects are found, credit will be given or replacement will be made at Sunstar's discretion. Such credit or replacement shall be the sole remedy of the purchaser. Sunstar makes no other warranty of any kind, expressed or implied. Sunstar will not be liable for any loss damages, incidental, direct or consequential, arising out of the use of, or inability to use Sunstar products. This warranty does not cover any damage or defect due to accident, misuse, or neglect. Because we cannot control the application of our products, the buyer assumes risks for any and all damage caused to himself or third party, by virtue of failure of these parts. Final suitability of any information or application is the sole responsibility of the user.

# CHAINS

# SUNSTAR

QUALITY. DURABILITY. PRICE. SINCE 1946.

## THE LARGEST OEM SUPPLIER OF MOTORCYCLE SPROCKETS IN THE WORLD

Sunstar has manufactured sprockets for every major motorcycle brand since 1946. Today, Sunstar is the largest OEM supplier of sprockets and brake rotors in the world. More than likely, the motorcycle you are riding came from the factory equipped with Sunstar brand sprockets and brake rotors. As a leader in both the OEM and aftermarket segments, Sunstar has prided itself on providing performance products with durability, price and functionality in mind.
