

Mandatory Safety

- Remove all packaging before use.
- Keep in a fresh, dry environment with temperatures exceeding 70 degree centigrade.
- Never use the product in a manner inconsistent with manual.
- The refill stick is a consumable item and must be replaced with a new car clip diffuser when its absorbance weakens (Please check with the distribution near you).
- This product is for fitting in a vehicle, not car safety related item.
- Diffuser may be hot when used on heading vent. Avoid handling diffuser for 5-10 minutes after heater is turned off.

Precautions for Use of refill stick

- Use the refill stick included with your purchase. For best result, we recommend that you use 100% natural essential oil.
- Be sure to use a cleaned refill stick with each different essential oil.
- Please do not store essential oils in automobiles with high in-car temperatures and sun exposure.
- Essential oils are highly concentrated and should always be handle with care, including the amount for each use.
- Wash hands after handling the refill stick to prevent eye or skin irritation.
- Please avoid dripping the essential oil onto the exterior of the product or onto furniture. If essential oil dripping accidentally occurs, wipe off immediately to avoid discoloration of the exterior of the product or the furniture.
- Keep away from children and pets to avoid accidental ingestion.
- The refill stick is not food. Please do not ingest.

Trouble Shooting

If you experienced unsatisfactory operations, please follow our troubleshooting guidelines listed below.

Symptom	Possible Cause	Solution
Poor Fragrance Emission	<ul style="list-style-type: none"> • Too little essential oil in the refill stick • Refill stick can become worn after prolonged use 	<ul style="list-style-type: none"> • For best performance, we recommend to change to another essential oil. • Consider adding more oil according to personal preference. • Please replace with a new refill stick.

- Fragrance results may vary depending on ventilation, temperature, humidity, quality of oils, and the size of space. We suggest to change the refill stick approximately every 1 month.
