\$204.95 on Amazon

## Key Features

- Mesh dome is completely and easily removable
- Includes removable, machine washable “ultra plush” bedding
- Exterior made of “luggage grade ballistic nylon”
- Includes adjustable shoulder straps
- For pets up to 15 pounds

Although your pet may not wear a seatbelt, you will need a comfortable place for your pet to rest during your trip. This is

where one of our portable pet beds comes in handy. This product from Sleepypod comes in a variety of colors and offers many convenient features. First, it has a fully removable mesh dome that allows your pet to easily crawl in and out when not in use as a carrier. When *is* When used as a carrier, it has a detachable and adjustable shoulder strap. The inside of the bed has “ultra-plush” machine-washable bedding, while the outside is made of durable “luggage-grade ballistic nylon.”

---

\$11.99 on Amazon

## Key Features

- It's made from “high-quality food-grade silicone” and is dishwasher safe.
- Expandable to various sizes depending on the size of your pet
- Various color combinations possible
- Comes with a clip to hang on your bag or other travel accessories.
- It is designed to stand firmly even when filled with water or food.

If you're traveling with your dog, you probably don't want to take up space with the stainless

steel or ceramic dog bowl you use at home. A great solution is to choose a collapsible silicone dog bowl for travel. This product expands to various sizes, is built with durability in mind, and even comes with a clip to attach to your backpack.

---

\$16.99 on Amazon

### **Key Features**

- 540 packs
- Very thick leak proof
- 13" x 9" bag
- Made from a cornstarch mixture.

- biodegradable
- Packaging and roll core made from recycled materials

Naturally, if you're on a long road trip, you'll have to make a few stops along the way. Since it's bad behavior to not clean up after your pet after they leave (seriously, don't be that person), it's a good idea to have a poop bag ready for your dog to clean up after. The Amazon Spring Sale has a lot of Greener Walker's bags available in packs of 540, so you won't be running low any time soon. Made from a leak-proof and environmentally friendly corn starch blend, the packaging and roll core are both made from recyclable materials.
