Professional DJ Headphones

- Professional DJ Headphones
- Superior Bass: Clear and crispy sound. 40mm drivers combined with neodymium magnets that provide impressive bass, clear vocal and crisp high tones from stereo hi-fi sound.
- Adapter Free: A long 9.8' cord easily reaches from the TV or Audio Stereo to your chair. A 6.35mm to 3.5mm plug cord (9.8') and a 3.5mm plug with built in Mic (4') are included. Both completely detachable.
- Ergonomically built for comfort: The soft padded ear cushions are specifically designed for monitor headphones comfort and noise isolation. The headband is adjustable and stretchable for your own fit
- Single Sided Monitoring: 90 degree swiveling earcups for single ear monitoring; self-adjustable and flexible headband delivers a fatigue-free listening experience that can last for hours.
- Shareport Technology: Connect multiple headphones together to share music with someone else
- Compatible with all devices have 3.5 or 6.35mm audio jack.
- Speaker: 40mm neodymium driver
- Frequency response: 20Hz – 20kHz
- Impedance: 32 Ohms
