A bit of History

Originally built in 1904 the building has enjoyed past lives as a soup kitchen in WWII, a bingo hall, a rehearsal space for the likes of The Who, Adam Faith & Cliff Richard in the late '50s/60s, and finally a snooker & social club in the '80s/90s, before being restored to its former musical glory in 2001 by present owners Charlie Raworth & Emma Hutchinson.
