WEDDING
RECEPTIONS

A bit of History

Originally built in 1904 as a music dance hall. Bush Hall has enjoyed an interesting and varied past. A dance hall up until WW11, when it became a British Restaurant (soup kitchen) until the end of rationing, then a Bingo Hall and day time music rehearsal space in the 50's/60's for the likes of The Who, Adam Faith and Cliff Richard, and then a snooker & social club in the 80's/90's. In 2001, Bush Hall was restored to its former musical past by the current owners, Charlie & Emma Raworth, and has become a renowned music & events venue over the last 20 years.

NEXT STEPS

We would like to invite you to Bush Hall for a viewing with one of events organisers. Our small dedicated team heads up all our private events; weddings, parties and corporate events. At the initial meeting, as well as showing you our lovely venue, we can discuss exactly what you want for your wedding and give you options on what best suits you and your budget.

Once you have confirmed a date for your wedding at Bush Hall, we will then start engaging in the preparations. You will be assigned a dedicated wedding coordinator to go through all the details of what you want with regards to timings, set up, decorations, catering and drinks options. In months before the lead up to your big day, your wedding coordinator, will assist you along the way and arrange a further meeting for food and wine tastings and to confirm all the necessary details.

We would encourage a final meeting a week or two before the wedding to fine tune everything and make sure every detail is in place, so we can make it a very special and memorable day.

What they Say ...

"The team at Bush Hall did an absolutely amazing job of our wedding day. Betsy took all the stress away from the pre wedding organising, everything went like clock work. The venue looked stunning, the atmosphere was great and all our guests commented on how good the menu was. The day was perfect in every way!"

"We chose Bush Hall for our all the boxes for us; late finish in house catering and a beautiful London. What we actually enjoyed that facilitated the best day of hitch. The food was fantastic, everything was professional, helpful and the band, DJ, florist and all of the involved in our wedding. I would recommend to absolutely anyone looking to have their wedding reception in a gorgeous

We had an incredible wedding
reception at Bush Hall. Nothing
was too much trouble for the
team working on the night. That
also goes for the planning stages
- everyone involved was com-

plans work including providing
their own very useful suggestions
