The Culprit Is Capitalism

The discourses of heterosexuality, whiteness and capitalism reproduce themselves into a model of power. For the rest of us, there is death.

practice radical compassion towards yourself and others

have conversations with your subconscious

STEP OF THE CAROUSEL

manifest observe insulize

I CAN HOLD ON

I CAN LET GO

WE NEED EACH OTHER

Where there is attention and purpose, we can find motions of tenderness.

"the small self"

I make the same amount of tears

laughing hard

crying hard

FEEL

feel better.

I can choose where I direct my energy

You feel That?

SPRITUAL ALICHRIMY

...feeling

I feel the same

with the curtains closed

remember to brush your teeth

eating cake at four in the morning

You feel That?
