LEARN TO PLAY HOPSCOTCH

WHAT YOU NEED

1. Chalk or masking tape
2. A small “marker” to gently toss – a bean bag, pebble, stick, button, etc.

HOW TO PLAY

1. Use chalk to draw a hopscotch pattern on the ground outside, or use masking tape to create the pattern on the floor inside.
2. Create your pattern like the example and number each section.
3. Toss your marker onto section #1.
4. Hop through all of the sections, turn around, and hop back to the starting point while skipping the square your marker is on.
5. Hop on one foot for solo sections and land on two feet for sections that are side by side.
6. Pick-up the marker on your way back and pass it to the next person.
7. After each person takes a turn during round 1, start round 2 by tossing the marker onto section #2. Then start round 3 by tossing the marker onto section #3, and so on.

CREATE CHALK MASTERPIECES

WHAT YOU NEED

1. Chalk

WHAT TO DRAW

1. Leave a message saying HELLO! to your neighbors.
2. Write a riddle to make people laugh.
3. Draw your favorite animals.
4. Create a maze and use your favorite toys to navigate your way.
5. Play a giant game of Tic-tac-toe.
6. Practice spelling, math, and more right in your driveway.
7. Trace your family and draw funny outfits.
8. Draw a scene and lay down within it to take a picture. Try these ideas:
 - Draw a large bunch of balloons – pretend to hold onto the strings and float away.
 - Draw a butterfly then lay down between the wings and pretend YOU are the butterfly.
 - Draw a lake scene and pretend you are in a canoe.
 - Draw outer space AND a helmet so you can become an astronaut.
9. And don't forget to play hopscotch!
