

FOIL-SCRIM-KRAFT

FSK TAPE

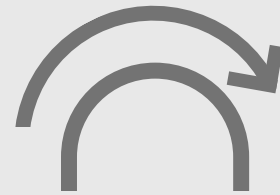

FSK Facing Tape is a white or foil coloured foil/scrim/kraft (FSK) laminated tape coated with a pressure sensitive, cold weather solvent acrylic adhesive.

DURABILITY

- Offers durability and strength with its reinforced scrim.
- High puncture and tear resistance ensures a long life and durability in a variety of applications and conditions.
- Easy to install on-site without special tools or application methods.

CONFORMIBILITY

- It conforms to fibrous duct board and sheet metal ducts
- Flexible Backing conforms well to curved or irregular-shaped applications and surfaces.
- Works well in general-purpose heat shielding and light reflecting applications.

APPLICATIONS:

- Sealing applications for fibrous duct board, sheet metal ducts and blankets.
- Vapour seal for reinforced aluminium faced fibreglass or mineral wool thermal insulation.
- Repairs to small tears in roof insulation.
- For industrial, commercial and residential applications.
