

ANTI-SLIP TAPE

Known as surface tape or safety walk. An economical solution to protect and identify hazardous slip areas on the ground such as slippery ramps, steps or in shopping centre walkways.

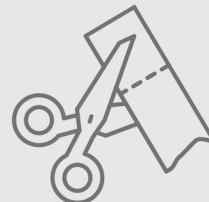

MARK HAZARDS

Effective solution to identify and protect people from hazardous slip areas.

INCREASE GRIP

The textured, high-friction surface enhances grip, ideal for use on slippery floors

EASY INSTALL

Simply cut to size, peel off the backing, and stick in place.

AVAILABLE IN:
