Familidoo

Familidoo, originated from France in 2012. With a steadfast commitment to excellence, safety, and innovation, Familidoo has been the leader in the multi-seat stroller industry for over a decade.

Our story begins with a mission: to provide multi-seat strollers and wagons that exceed expectations in every aspect. From the design phase to the manufacturing process, every detail is meticulously crafted to ensure unparalleled safety, durability, and comfort for every child and parent with our revolutionizing strollers, wagons and electric motor system.

Our multi-seat strollers and wagons undergo rigorous testing, exceeding industry benchmarks and earning us numerous safety and quality certifications. This unwavering dedication to excellence is at the core of our brand identity.

Over the years, our products have found their way into the homes and hearts of families across more than 20 countries. Trusted by multi-child families, daycare centers, and kindergartens alike, our strollers and wagons have become synonymous with reliability and peace of mind.

At Familidoo, we are where safety, quality, and innovation intersect. We lead the charge toward a future where family and daycare transportation is safer, more convenient, and more thrilling than ever before.
