

HANDCARE

LIQUID NON SOLVENT HANDCLEANER

- **HANDCARE** is a carefully blended hand cleaner formulated for the easy removal of grease, dirt and grime.
- **HANDCARE** incorporates emollients with lanolin for skin softening and to replace the skins natural oils that washing takes away.
- **HANDCARE** does not contain any solvents or other ingredients which may harm the skin. It is neutral to the skin and is milder than common soap, rinses off freely and contains anti-bacterial agent which assist in the prevention of occupational dermatitis. Hands are left clean, soft and fresh.
- **HANDCARE** is available with a mint fragrance. A.D.P.I. approved product is available called **HANDCARE EME** which does not have a fragrance.
- **HANDCARE** is not only for the hands but can be used as an all over body wash as well.

APPLICATION

1. Use undiluted and apply to the palm of the hand, rub well into the skin and rinse off with hot or cold water.
2. **HANDCARE** can be used through most washroom dispenser systems. Five litre and twenty five litre dispensers are available.

WARNING

Avoid eye contact.
