**Discover the Joy of
Healthy Gifting with
Candyceuticals**

2023

This is Caim by årelang. A new-age health and wellness company that aims to put an invisible circle of protection or 'Caim' around each one of you.

When looking for gifts for your loved ones or corporate colleagues and clients, you often end up buying things they might not use or value.

NOT ANYMORE

With our range of exquisite & scientifically crafted Candyceuticals or supplements in the form of delicious candies (that everyone loves to eat), we aim to help rejuvenate you and ensure your body and mind work the way they are meant to.

Hop on to the next few pages to see the healthy gifting solutions we have in store for you.

Restore your Sleep

Our NON-MELATONIN formulation - a powerful synergistic blend of herbs, helps boost the production of natural melatonin in the body and improves sleep quality.

This formulation helps induce sleep faster while relaxing the mind and body before bed. Once asleep, it helps prolong the time spent in the NREM sleep phase, giving you a fresh start to your morning and a whole night of restful sleep.

All this without the help of any synthetic Melatonin!
