

Crystal Fire^{PLUS} BURNER KIT COLLECTION

STUNNING AND RELIABLE

Linear, Square, and Round Stainless Steel Crystal Fire® Plus Burner Insert and Plate Kits can be used for custom-built fire pits or your own outdoor fire feature to complement your landscaping project. A no-flange edge and undermount installation are concealed by fire media to highlight the gorgeous dancing flames. All burners have a higher BTU capacity and upgraded burner construction for a brighter, taller, fuller, more yellow flame. With just the push of a button, a beautiful clean-burning fire appears atop a bed of tempered fire glass gems.

FEATURES:

- Commercial-grade #304 stainless steel
- Safety ignition and shutdown – will shut off connection to gas source if flame is extinguished for any reason
- “Positive Connect” offers minimal gas connections and quick installation time as most connections made in factory
- Burners above 12” x 64” include two valves and two control panels
- Installation should be completed by a certified gas technician
- Depending on your application, you may need less fire media than suggested/included amount. Contact OGC for further assistance.
- Fully adjustable flame height
- Comes setup for liquid propane but can be converted to natural gas using included conversion kit
- Includes Variable Control Safety Valve, LP hose and regulator, metal flex hose, clear tempered fire glass gems
- See [Commercial CFP Burner Info Sheet](#) for DSI options
- See [DIY Burner Kit Info Sheet](#) for do-it-yourself options
