

Thode Knife & Saw Australia stock a range of quality Bandsaw protector strip. We now supply all our new bandsaws with grey protector strip to ensure your blades arrive in top condition. Our Prostrip is durable & long lasting.

This is available for you to purchase from our Healesville Warehouse in 100 metre coils plus we can also offer orange & yellow for easily identifying left or right hand saws.

We stock the strip applicators for ease of application.

For all your Knife, saw & consumable requirements contact **Aaron McRae (04) 32 373 778**
