## The Best Wines Of Autumn

By John Mariani

2018 Bouchaine Las Brisas Vineyard Riesling (\$38)—California Rieslings are gaining stature, and Napa's Las Brisas Vineyard seems to be a showcase for the varietal. The wine's got a lovely aroma and the fruit and acid are in good balance, so it is very refreshing, without being cloyingly sweet or too tangy. A delicious match for seafood of any kind or with ripe cheeses.
