

Recovering the Lord's Song: Getting sung Scripture back into worship

Anne Harrison (Grove Worship Series 198, 2009)

Further examples of psalms and canticles, supplementing those listed in the booklet

A = anthem

C = chant setting

H = hymn based on psalm

M = metrical psalm

R = responsorial psalm (metrical refrain, chanted or lyrical verses)

S = song

T = Taizé chant

The names in the right hand column are sometimes those of the author of a paraphrase, sometimes the composer of a setting; in some cases the same person has been responsible for both words and music.

In many cases, even where not indicated, only a portion of the psalm is set to music.

A list of the abbreviations used for book titles and publishers can be found below the table.
