## **BERNINA HOOK**

The heart of the BERNINA 7 Series features a novel, centrally placed driver, which allows the BERNINA Hook to run fast yet quietly. The BERNINA Hook sews high-precision stitches up to 9 mm in width (up to 5.5 mm on the B 735) with speeds up to 1,000 stitches per minute. The front-loading bobbin holds up to 70% more thread than standard bobbins, allowing you to sew longer without interruption. Finally, the BERNINA Hook is made of high-quality materials that allow the thread to run smoothly at consistent tension.
