ESTHER CROWN MINISTRIES

SURELY THE LORD IS IN THIS PLACE. GENESIS 28:16

March 2022

Greetings Friend,

I am most thankful that the Lord Jesus has given to me a dream ministry to steward. For decades, thy Lord has blessed me with the most marvelous dreams. The Heart of our Blessed Lord Jesus in speaking to us in this ancient language is to cause us to hear His Lovingkindness when He visits us with divine dreams. As His Children, whom receive these precious dreams we must remember it is the Holy Spirit whom we both see and hear in our sleep. Thy Lord loves us with an everlasting love and trust us with this divine revelation for our good. When the Father reveal to you in dreams certain areas of your character, or there is chastisement to you from a leader; the Father God is speaking to you as a Father that speaketh to His son.

“For whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth.”
Hebrews 12:6

The Holy Father may also bestow dreams to you of correction using me as a leader in His chastisement of you. In dreams, Apostles of the Lord Jesus are symbolic for the Father God speaking. Ofttimes, I have not received revelation of what He says to you in your dreams. I encourage you to guard your hearts with all diligence from the spirit of offense and dishonor with your dreams. As we honor thy Lord with our dreams, He is surely most faithful to continue to bestow upon us His goodness to see His will for us in our dreams.

As the Scripture says in the Book of Saint John 16:1: "These things have I spoken unto you, that ye should not be offended."

Friend, you may find at times to be in seasons of correction or direction from the Lord and the multiplicity of dreams or a certain dream may become a burden to you. Often, this burden may come when you are not receiving accurate Biblical interpretation of the dreams. Remember, the Blessed One's yoke is easy and His burden is light. It is not the Lord's will for your dreams to leave you burdened.

Be encouraged in thy Lord's perfect love which casteth out all fear with the mysteries and revelation thy Lord revealeth to you in your dreams. Our Hope of Glory is most faithful to causeth all things to work together for good to them that love Him.

Because of the Cross,

Apostle Tonya

THY LORD SPEAKS IN DREAMS

OVERVIEW

This basic teaching shall mainly be comprised of a short list of Heaven's Dictionary on common symbols, people, places, food and animals. This is by no means an exhaustive list of the dream symbols. There is an abundance of symbols to teach from including colors, name meanings (when thy Lord uses names to speak to you primarily in dreams), important people, numbers (whereby thy Lord may speak to you about His timing on a matter that is His will.) In the near future, I shall teach on the ancient language of dreams with in-depth teachings. The schedule for the dream teaching shall be announced via our e-mail blasts and social media pages.

Now, let's take a look at the story of King Solomon as recorded in First Kings, Chapter three beginning with verse five and ending at 13.

The king sought thy Lord God for wisdom and thy Lord God in His Faithfulness and Goodness gave King Solomon wisdom wherefore had not been found in any other person. Further, thy Lord in His generosity gave to King Solomon riches: great wealth and honor because Solomon answered the Lord God rightly in His dream.

Friend, how might you prepare to respond with the right heart when thy Lord God visits you in your dreams as He visited King Solomon? First, I want to encourage you to begin in prayer and seeking thy Lord God, your Heavenly Father. Ask the Lord God to give you grace and the help you need to respond rightly when He visits you in dreams. Also, declare in prayer that you shall have the right heart to receive His will manifest for your destiny.

Let us read what the Holy Scriptures says of our Beloved Lord Jesus visiting us as recorded in the Book of Matthew 14:27: "But straightway Jesus spake unto them, saying, "Be of good cheer; it is I; be not afraid." And, in the Book of John 14:18: "I will come to you." Our Blessed Risen Lord also says in the Book of John, Chapter 14: 21: "He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him." Dear ones, those are the comforting Words of our King Jesus. I want to encourage you not to be fearful that He may visit you in your dreams. Our Lord Jesus is a most humble King, lowly and meek. His yoke is easy and His burden is light. (Matthew 11:30). He is full of Love and Light. When He visits us, He comes to comfort. Amen.

Let us proceed with a short overview of Heaven's Dream Dictionary whereby the Blessed Comforter, Holy Spirit has most graciously revealed to me is His accurate definitions to understand the parables of our Beloved Lord Jesus in our dreams.

Before we begin, let me say another way you might be led by the Holy Spirit to receive further insight, revelation and answers to your divine dreams is in the Greek Strong's Concordance and oftentimes answers are revealed in the Book of Psalms, Proverbs, Songs of Solomon and Ecclesiastes (or any Book in the Bible can help you to accurately interpret your dreams). The King James Version is the version thy Blessed Lord has taught me to understand dreams. I am sure He shall encourage you to also learn from this version of the Bible. Yet, I must say, over the years, I have oftentimes discovered the Amplified and the NASB versions are most helpful to provide further clarification to me with certain revelations.

Dream Dictionary

Let me share a most important secret with you about stewarding the dreams thy Blessed Comforter bestows upon you as you enter into His rest in sleep: immediately after awakening from your dream; try to record every detail of your dream. I encourage you to record it in the Notes in your cellular phone. Thereafter, I encourage you to keepeth a dream journal to store record of your dreams; for dreams are our most Holy Love Letters from Heaven.

Let's take a look at the people you see in your dreams. I must be sure to say to you the setting in dreams, places, colors, objects, symbols and numbers are keys Heaven shall be faithful to use to provide you with the complete and accurate Biblical interpretation of the dream.
