- Omelon's XO Mask (optional)
- Our Translucent Esthetic Wraps
- A dermal needling device w/ a nano tip
- LED

BEST FOR

- Treatment of acne
- Rosacea
- Skin with a compromised barrier

- Double cleanse the skin with gentle, acne-safe cleansers
- Perform extractions, for extremely congested skin, use Omelon's XO Mask to further soften the skin.
- Mix No 1 (Allantoin packet)+ No. 2 (syringe) together, and apply to skin with a mask brush. Using a dermal needling device, nano needle for deeper penetration. Skip the nano step if skin is extremely sensitive or areas with inflamed acne.
- WITHOUT REMOVING THE PRODUCT, apply a translucent wrap over top to keep hydrated.
- Use Blue LED for 15-20 minutes, removing the translucent wrap for the last 5 minutes.
- Remove product thoroughly and apply the No. 3 Omega GREEN PLUS (included) and place under Red LED for 15-20 minutes.
- Remove mask and massage in any remaining product. Apply moisturizer and SPF. Avoid sun exposure for 24 hours.

CAN BE DONE EVERY 2 WEEKS. A SERIES IS RECOMMENDED.
