

## Custom and Bulk Orders with Elle Kaye Studios

Elle Kaye Studios is pleased to offer customization and wholesale services. Whether you need one hat or 100 hats, Elle Kaye Studios can help.

We offer a wide variety\* of hat styles and colors which include, but are not limited to: Distressed Trucker, Structured, Visors, Ponytail, and Beanies. There are plenty of options, sure to enhance your business’s logo or custom design, while fitting the style needs of your employees and/or patrons. It is our goal to produce headwear worthy of your brand.

All ballcap patches are done in natural veg-tanned leather and are heat-pressed using high-heat and pressure, providing a permanent fusion between hat and patch. Our beanie patches are available in a variety of leatherette colors and are sewn onto the beanies.

See Appendix A for colors and styles

\*If there is a brand, color, or style you’d prefer, Elle Kaye Studios will work with you to source hats specific to your needs.

### Do I need to provide artwork?

The process of patch design and proofing is expedited if you share your logo format in one of the following file formats: .svg (preferred), .eps, .ai, .pdf, .jpg, .bmp

### Do you create new logos / artwork?

Custom artwork, designed by Elle Kaye Studios, is available for an additional \$25 fee. Elle Kaye Studios reserves the right to refuse certain designs if deemed inappropriate or against company standards.

### Is there a volume discount?

Our bulk order pricing has two price break points depending on the number of hats being purchased by the organization. For orders exceeding 100 hats, pricing will be individually negotiated.

\*If you choose hats outside of our standard stock, prices are subject to change

2023 Pricing	0-11 Hats	12-23 Hats	24+ Hats
Ballcap	\$28.00	\$22.00	\$18.00
Visor	\$26.50	\$20.00	\$17.00
Cuffed Beanie	\$28.00	\$22.00	\$18.00
Basic Beanie	\$22.00	\$18.00	\$14.00

### Do I have to order all the same style and color of hat?

Pricing breakdowns and orders are not constrained to the same style and color of hat. So long as the total order exceeds the price breaks above, you are free to mix-and-match the types of hats ordered.

## Is there a minimum order quantity?

For hat styles listed and carried in Elle Kaye inventory (see Appendix A), there is no minimum order quantity. Any hat blanks procured specifically for a bulk order that are not part of Elle Kaye inventory, the minimum order quantities from our suppliers will be communicated prior to purchase and applied.

## How long does it take to fulfill an order?

Bulk order turn-around times are variable based on the volume of the order, on-hand inventory, delivery speed from our suppliers, and production time.

\*Lead time will be quoted at the time of payment based on Elle Kaye Studios current production schedule and stock availability

## When do I pay?

Once the order is defined and all parties agree, an invoice will be sent. The production process begins as soon as commitment of payment has been established, ie: Paid in full or a purchased order submitted.
