Oleic Acid	C18:1			13.2
Linoleic Acid	C18:2			2.2

Ingredients: Babassu Oil, Citric Acid (non-gmo)

Shelf life is guaranteed for three years from the date of production if the product is stored in the unopened original container between 15°C - 30°C, protected from light. Because this material is sensitive to oxidation, it is saturated with nitrogen and sealed with nitrogen atmosphere for protection. If containers are opened for sampling, be sure to refill atmosphere with nitrogen. Containers that have been opened should be tested at least yearly to ensure potency. Although NÜD believes the above information to be accurate based on the information available to NÜD, it is the responsibility of the customer and user of the material to perform its own investigation and due diligence prior to use to verify that the product purchased from NÜD meets their quality requirements and is appropriate for the use to which the product is to be put. The information provided above shall be considered effective only for the lot with which the information is being provided. Use and purchase of this material is subject to NÜD standard terms and conditions, which supersede any conflicting terms contained on Buyer's purchase order or any document or instrument supplied by Buyer.
