

KLEEM

ORGANICS

The **CLEANEST** skin care brand
TRUSTED by thousands of
people for delivering healthier
and more glowing skin.

ABOUT KLEEM ORGANICS

Kleem Organics is proud to be a trusted brand when it comes to clean beauty. With our products, you never sacrifice effectiveness for safety. You get unparalleled results and the security that comes with using beauty products that are good for you.

At Kleem Organics we believe that the success of a company is faithfully related to every single member's success, achieved by focusing our attention on personal growth to improve who we are and the service we provide for others.

The word "Kleem" has been used in our brand to intentionally benefit from the power of a Vedic mantra to attract our desires and make them true when consciously read, mentioned or thought.

REDEFINING THE LANDSCAPE OF BEAUTY

More than just a beauty brand, Kleem Organics represents a commitment to inspiring confidence in all people who use our products through passion, honesty, and breakthrough formulations.

HOW IS YOUR BRAND UNIQUE ?

We use **Aloe Vera**, instead of water, as main component for each and every formulation.

We use **Bio-Active Ingredients** at their highest concentration to guarantee results.

We use **Airless Packaging** to protect and maintain the integrity of the ingredients.

Premium and **Unbeatable** formulations offered for a very accessible price.

Customer-Oriented Mentality that leads to develop and improve our products based on customers' feedback.

MISSION

Our mission is to deliver products of excellent quality, to support customers individually and to create a community of people that not only are happy with what they purchased but who are also embarking upon our self-care journey.

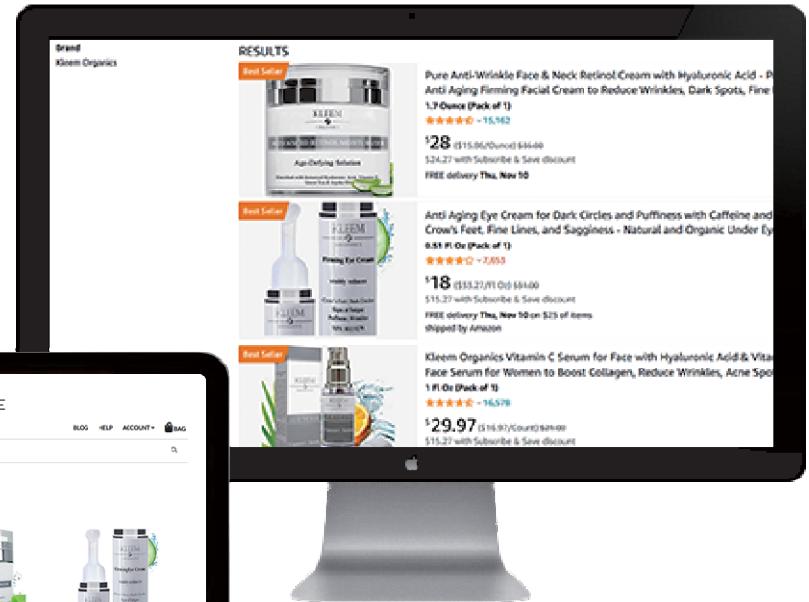

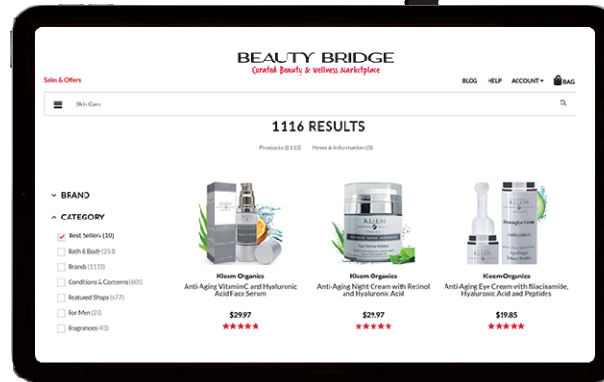

PROMISE

Our promise is to be committed to take every feedback as a learning opportunity to improve our work and being actively committed to increase our knowledge and skills in our respective fields for a constant development.

*and we are currently carried in **637 stores across US and EU**, above our very strong online presence.*

Committed to Positive Change

We are highly committed to clean and safe skin care promising to provide products that you can trust and skincare education you can rely on.

All our packaging is re-usable and recyclable which allows a widely minor request and production of plastic.

On September 17th, 2019, we adhered to the Donations program as part of Kleem Organics' commitment to achieve net-zero carbon emissions globally by 2040, ten years in advance of the Paris Agreement.

All our packaging is re-usable and recyclable which allows a widely minor request and production of plastic.

With more than 16,000 products donated to date, our commitment to a flourishing planet has only just begun.

It's about Beauty. It's about Advancement. It's about Service.

The **CLEANEST** skin care brand **TRUSTED** by thousands of people for
delivering healthier and more glowing skin.
