****TOTAL ACCUs / VCUs RETIRED (KGs)** **30000**

Notes

*ANREU is Australian National Registry of Emissions Units administered by the Clean Energy Regulator; Verra is a nonprofit organisation base in the USA operating the world's largest carbon credtiing program

** Total offsets created through our retirement of ACCUs and VCUs will generally exceed total offsets required for Clothing Carbon Credits transactions in anticipation of further transactions. If the balance is reversed, additional ACCUs or VCUs will be retired within 28 days.
