ABOUT

The elegant and delicate look of blown glass finds a new dimension in Jube. Two glass units are placed side by side, perfectly assembled, so much so that they look like a unique piece. The result is a sinuous lamp, formed by superimpositions and with tone-on-tone colors that give it a precious, vintage mood.

LEAD TIME

4 - 7 weeks

LIGHT SOURCE

Integrated LED,
Warm White (2700K to 3300K),
