ABOUT

"moon lamp" was inspired by the Moon and its ethereal emanation of light. The reference to the element of the moon is emphasized by the plot of the material used resin.artdesign to create a soft and intense atmospheric lighting, and to recreate the lunar surface, a feature that distinguishes the products of the brand.

The Out Collection is designed to create outdoors a dreamlike and romantic atmosphere, ideal for aperitifs, dinners, or to relax or under the sun or a starry sky. The collection is inspired by the moon and its infinite mysteries, reproducing the luminescent and irregular surface of the celestial body in all its shades and texture, through the resin material (a specially treated mix of resin and fibers).
