# MULTI-LIFE PENDANT LAMP

## PENDANT

SPECIFICATION SHEET  
INTERNATIONAL

### ABOUT

The Multi-Lite pendant lamp from 1972. The design is characterized by the exceptional and playful lampshade that reflects Weisdorf's passion for versatility: The base of the lamp consists of three basic shapes - two immovable cylinders and a hemisphere - framed by a thin ring. What makes it special? The hemisphere is divided into two parts so that the two halves are mobile and invite you to play with shapes and light.

### LEAD TIME

4 - 7 weeks

### LIGHT SOURCE

E27 60W LED  
2700K warm white  
Not dimmable  
Lamp included

### INSTALLATION

Ceiling mount  
Supplied with external driver.
