Dear Peter

The Australian Olympic Committee welcomes Advanced Medical Devices (AMD) as the newest member of the Australian Olympic Committee sponsor family.

We are delighted that AMD will be the official supplier of medical masks to the Australian Olympic team for Tokyo 2020 and Beijing 2022.

Our number one priority is to ensure the safety of our Olympic team and officials at the games in Tokyo and Beijing.

We are delighted that the Australian made AMD mask were tested and chosen by our medical team and athletes as the medical mask of choice.

Looking forward to catching up.

Kind regards,

Matt Carroll AM
Chief Executive Officer
