

Lifting Pins• self-locking, with handle

22351.0020

Product Description

The t-handled grip can be used to move or transport workpieces via hand, e.g. part finished components, workholding systems, speakers and other containers. Corrosion and weathering resistant, thus also suitable for outdoor application. Very solid, precipitation-hardened pin with an extreme load capacity.

Material

Pin part

- Stainless steel 1.4542, precipitation-hardened

Handle

- Aluminium, blue anodised

Press button

- Aluminium, blue anodised

Spring

- Stainless steel

Assembly

Simple H11 boreholes are sufficient. Each lifting pin contains an instruction manual with an EC Declaration of Conformity.

Operation

The balls are unlocked by pressing the knob.
