

Ball Casters with mounting elements

22750.0128

Product Description

Material

Cap

- Steel, zinc-plated by galvanization

Housing

- Steel, zinc-plated by galvanization

Ball

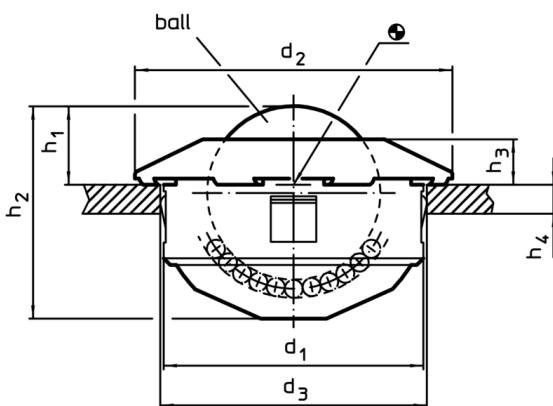

- Stainless steel

Assembly

Mounting is carried-out by means of spring-loaded claws allowing big tolerances in the location hole.

The ball casters can easily be mounted and disassembled from their functional side. Due to the inclined cap form, the assembly mandrel EH 22750. should be used.
